

iv) To establish a society full of hope where children are able to realize their full potential.

v) To establish middle and higher level institutions of learning which could accommodate those children from poor families in order for them to complete their education.

vi) To liaise with well wishers, donors and other like minded institutions to assist St. Mathews Sesenia School realize its vision.

### **BRIEF HISTORY:**

St. Mathews was founded in the year 2007 by its vision bearers Peter and Esther. The school started with two orphaned children Josephine and Fredrick Odhiambo. The reason for starting the school was to try and assist those children from poor families who had dropped out of the school due to termination of payment of school fees by Plan International which was by then the main funder in the community. The school started in the month of February 2007. The school had three teachers with no secretary. The term ended with three students and during second term the School added 4 more students and closed the term with 7 students. During third term the school got other five students joining and this brought the total population to 12 students.

Since inception St. Mathews Sesenia School has managed to:

- Assist 150 children to access secondary school Education.
- Assist 50 students to sit for their KCSE national Examination out of which 35 have been able to join colleges and some are now working.
- Assist 20 orphaned and 40 vulnerable children access secondary education.
- Help nature the talents of many children through various sport activities such as football, valleyball and athletics.
- Employ ten members of staff, 7 teachers, a secretary a watchman and a messenger.

### **FUTURE PLANS:**

- Purchase land for the school.
- Put all students on boarding program in order to accommodate more needy and vulnerable cases
- Establish a middle level college in the next two years and a school university in the next ten years to enable all students achieve their long life dreams
